

Low Cost

We believe in keeping it simple:

If your rental property has less than 150 units - you pay 1% of your gross reservation receipts (not including taxes or other folio charges), billed monthly on stays that have been completed.

If your rental property has more than 150 units - call us.

One-time Set Up Fee: \$295

No Monthly Minimum

Monthly Cap of \$450 (you will never pay more than \$450)

Booking Engine For Your Website: No Charge

GDS Module: Included

Credit Card Processing Module: Included

Technical Support: No Charge

There are no modules to purchase, no upgrade charges and no surprises*!

*Please note that you will have to pay for your QuickBooks Online account and GDS commissions. Each are billed directly from Intuit (QuickBooks) or InnAdvance; we have no control over their pricing.
